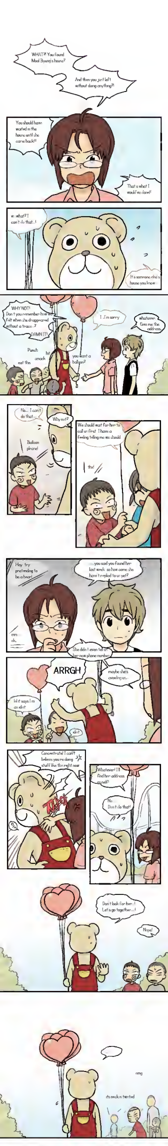
I'm sorry! I wasn't thinking straight back then. I'm sorry!
but I swear I had nothing to do with her dropping out of school...!
I didn't do anything weird!
Then why would she drop out of school...?
Are you sure nothing happened in the basketball club?
What? No way! We got along fine!
We played games and even went out karaoking together...!
Then what happened that evening?
You said you were the last person to be with her
d... do I have to say something like that too?
I know you guys were pretty close. Are you sure you didn't do anything?
mm
Should we get your teacher involved?
Wait! Please don't misunderstand me!
I didn't do anything strange!
Right before we left, we were just talking for a bit and my emotions got the better of me and...
then what...?!
I hugged her
Free Hug?
as... a good bye?
You gave her a hug? Are you guys going out?
Danah
wut
Who do you think you're kidding. This isn't America. Who gives good bye hugs?
s... sorry... I admit it wasn't as a good bye
I think I was a bit crazy
I really liked her, so I gave her a hug...
good bye...
but I didn't expect her to not like THAT much.
but... why?? Why did you do that...?!
No matter how Danah encouraged her, Nami always said you were just a friend...!
I apologize...
We previously went to movies together. She even came over to my house few times.
I thought maybe she liked me too...
Really...? When did you get so friendly with her? Even I would've mistaken her!
Which movie was it?
The Bourne Ultimatum X.
We both really liked spy movies.
So I showed her the gun replicas and spy manhwas I had at my home
Where did you get this?!
My hyung loves collecting these
click
Can I shoot something with it?
and you still thought of her as a girl?!
I've never met any girl like Nami before. We really connected well.
You can't choose who you fall for
What happened after the hug?
I apologized immediately, and left quietly
I swear none of the other people at the basketball club caused her any problems either
I know basketball club's mostly guys
but we never played rough or treated Nami badly...
I can guarantee that Nami never got hurt while playing basketball with us.
In fact, when she looked like she couldn't keep up, we let her take a break and rest.
Then why on earth would she leave the basketball club...
You didn't lie, did you?
No way. I'm telling you the truth!

Welcome to Room 305!

Chapter 76 I'm here looking for you



WHAT?! You found Mool Byung's house?
And then you just left without doing anything?!

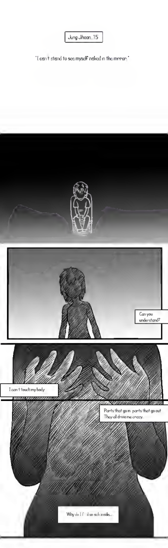
Ch 78 Jung Jihoon & Chuseok Special?

T/n: Chuseok is a Korean holiday similar to Thanksgiving
And don't forget in Korea last name comes first

Jung Jihoon 15

"I can't stand to see myself naked in the mirror."



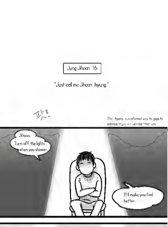
Can you
understand?
I can't touch my body
Parts that go in parts that go out
They all drive me crazy.
Why do I feel so sick inside..

"Is anyone there?"

Jung Jihoon 16

"Just call me Jihoon, hyung."

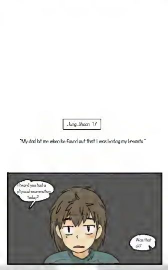
T/n: hyung is a informal way for guys to address [illegible] older than you



팟!
Jihoon.
Turn off the lights
when you shower.
It'll make you feel
better.
For me it's when I have to take
of what happens to my body...
Let's not talk
about that
ok.

Jung Jihoon 17

"My dad hit me when he found out that I was binding my breasts."

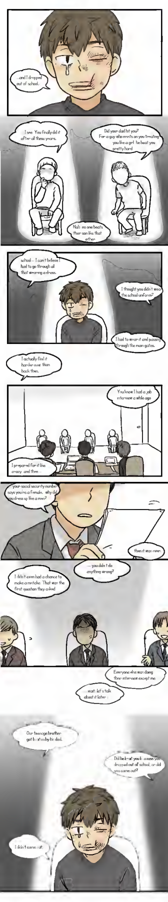


I heard you had a
physical examination
today?
Was that
ok?
Every physical exams
drive me insane.
I feel like throwing up.
Is that just me?

"I'm not ok at all."

Jung Jihoon 18

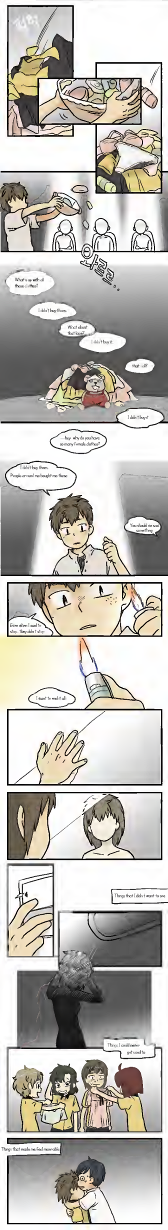
"My friends told me to get a boyfriend."



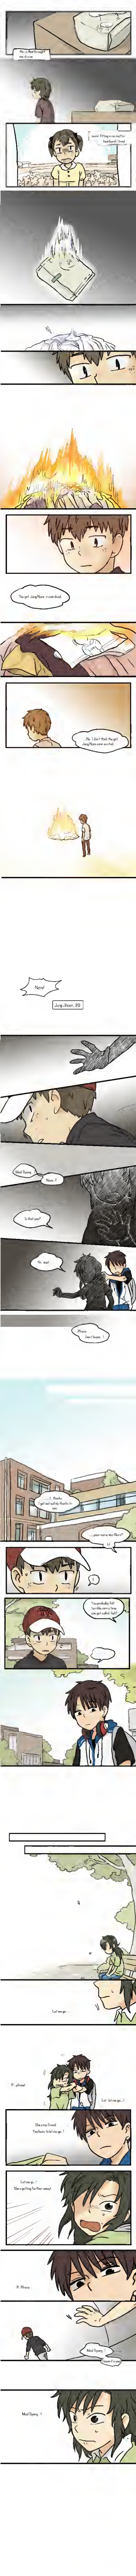
...and I dropped
out of school.
I see. You finally did it
after all these years.
Did your dad hit you?
For a guy who insists on you treating
you like a girl he beat you
pretty hard
Nah no one beats
their son like that
either
school... I can't believe I
had to go through all
that wearing a dress.
I thought you didn't wear
the school uniform?
I had to wear it and passing
through the main gates.
I actually find it
harder now than
back then.
You know I had a job
interview a while ago
I prepared for it like
crazy and then...
your social security number
says you're a female. why did
you dress up like a man?
then it was over.
...you didn't do
anything wrong?
I didn't even had a chance to
make a mistake. That was the
first question they asked
Everyone else was doing
their interview except me
...wait let's talk
about it later.
Our teenage brother
got beaten by his dad.
Did he beat you because you
dropped out of school, or did
you came out?
I didn't came out.

Jung Jihoon 19

"I came out to my family. Now it's time to end it."



How do you
feel?
I do feel bad for the
girls that used to hang
out with me
와르르..
What's up with all
these clothes?
I didn't buy them.
What about
that lace?
I didn't buy it.
that doll?
I didn't buy it
...hey why do you have
so many female clothes?
I didn't buy them.
People around me bought me these
You should've said
something
Even when I said to
stop. they didn't stop
I want to end it all.
Things that I didn't want to see
Things I could never
get used to
Things that made me feel miserable



things that brought me shame
never fitting in no matter how hard I tried
The girl Jung Nami is now dead.
...No I don't think the girl Jung Nami ever existed.
Nami!
Jung Jihoon, 20
Mool Byung ?
Nami ?
Is that you?
No wait
Please Don't leave !
...t thanks I got out safely thanks to you
...your name was Nami?

You probably felt terrible every time you got called huh?

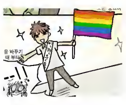
*I forgot to explain the rainbow colored flag that was in the Chuseok Special



The flag that Junghyun is holding in the picture represents acceptance toward the LGBT community

In 1978 to represent the diversity of the LGBT community the flag containing pink red orange yellow green blue violet and purple

but pink wasn't commercially available so it changed to 7 colors

and in that November, Harvey Milk the first openly homosexual person to be elected to a public office in United States was assassinated, the color violet was taken out

And that's why there are only 6 colors in the rainbow flag

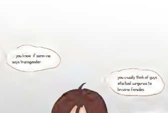
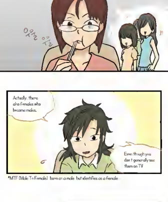
Ch 80 Why are you acting like that again?



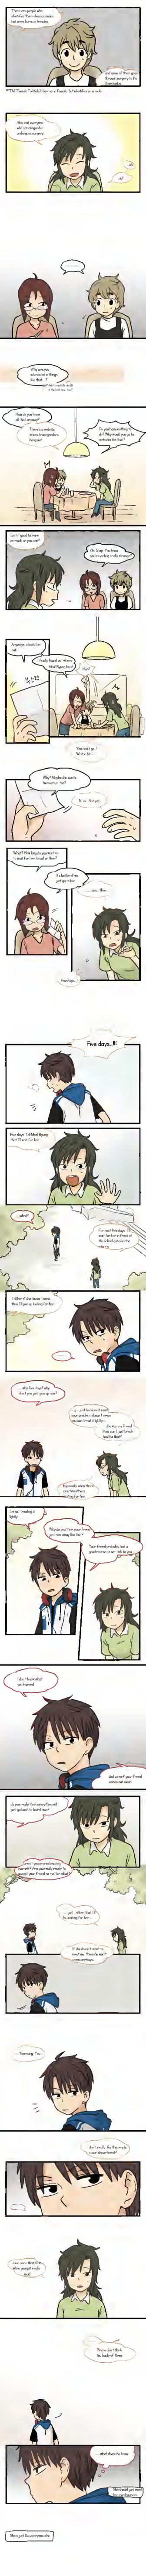
you know if someone says transgender
you usually think of guys who had surgeries to become females
Actually, there also females who become males.
Even though you don't generally see them on TV

*MTF (Male To Female): born as a male, but identifies as a female

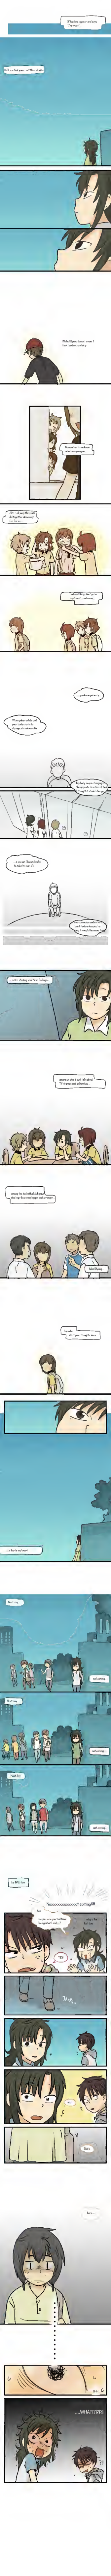


There are people who identifies themselves as males but were born as females
and some of them goes through surgery to fix their bodies

*FTM (Female To Male): born as a female, but identifies as a male.



Also, not everyone who's transgender undergoes surgery
...uh
ok?
....
Why are you interested in things like that...?
didn't you talk about it the last time, too?
How do you know all that anyway?
There's a website where transgenders hang out.
Do you have nothing to do? Why would you go to websites like that?
Isn't it good to learn as much as you can?
Ok Stop. You know you're acting really strange?
Anyways, check this out
I finally found out where Moal Byung lives!
Huh?
You can't go...! Wait a bit...
Why? Maybe she wants to meet us, too?
N...no. Not yet.
What? How long do you want us to wait for her to call us then?
It's better if we just go to her
.........um... then...
Five days...!
Five days...!!!
Five days! Tell Moal Byung that I'll wait for her
...what?
For next five days, I'll wait for her in front of the school gates in the evening
Tell her if she doesn't come then I'll give up looking for her.
....
...why five days? why don't you just give up now?
...just because it's not your problem, doesn't mean you can treat it lightly...
she was my friend. How can I just break ties like that?
Especially when there are two others waiting for her.
I'm not treating it lightly
Why do you think your friend just ran away like that?
Your friend probably had a good reason to not talk to you
I don't know what you learned
But even if your friend comes out clean
do you really think everything will just go back to how it was?
aren't you overestimating yourself? Are you really ready to accept your friend no matter what?
...just tell her that I'll be waiting for her...
If she doesn't want to meet me, then she won't come anyways...
...Yoonsung. You...
don't really like the people in our department?
ever since that time when you got really mad
Please don't think too badly of them...
...what does she know
She should just mind her own business.
She's just like everyone else



If he does appear and says "I'm trans",
We'll see how you react then, Jooha.
If Mool Byung doesn't come I think I understand why
None of us three knew what was going on...
After all, only things we did together were only fun for us...
and said things like "get a boyfriend"...and so on...
...you know puberty
When puberty hits and your body starts to change it's unbearable
My body keeps changing in the opposite direction of how I thought it should change
... a person I know decided to take his own life
You can never understand how it feels unless you're going through the same thing
... never showing your true feelings...
among us who'd just talk about TV dramas and celebrities...
among the basketball club guys who kept becoming bigger and stronger
Mool Byung...
I wonder what your thoughts were
it hurts my heart
Next day...
not coming.
Next day
not coming
Next day...

No... that's you Hom
Speaking of which, why are you keep eating my udon? I even put my name on it!
Kyung, It's my man now
Please get divorced. I'll take good care of your daughter

I see now why you were talking about tran... and gays and other crap like that.

We just met Mool Byung at his house

That's why he stopped talking to us...

Mool Byung is one of those people you were talking about before right?
How long have you known him?

We just ran away! What the hell were we supposed to say in that situation!

Wait? Wait for what? What would be different if we waited?
Were you going to turn Mool Byung back to a girl? or
were you going to brainwash us first?
Or maybe you guys were going to pretend we didn't exist and hang out with just you two?
what? no
You know, when he came into the house he called your name
I guess he thought you were the one who came to visit
He turned pale as soon as he saw us.
Ha ha! That's funny because we were friends with him way longer than you were
I...I'm sorry... Danah...
Don't apologize. You know what's even more funny?

You only made it worse
You should watch who you talk to about that topic.
What? Why shouldn't I talk to them about transexuals and etc.?
Are you dumb? If you didn't talk about that with them
They wouldn't have suspected a thing when they saw Mool Byung.
You're telling me to keep them in the dark? If I talk to them, they might change their minds you know
Didn't you just see what happened?
Remember back when I got mad while drinking with the our department guys?
Did you know that they stayed away afterwards because they thought I was gay?
Your friends, the guys from the department.. How much do they have to hate gays to act like that?
No... not everyone's like that. We're not teenagers any more. We're more mature than that
Are you hopelessly idealistic.. or just incredibly naive..? How can you tell me what they're thinking?
Y.. you also don't know them either...!

Why didn't you come out then?

It sounded pretty vicious

Hey Hom. Was that yukhoe expensive?
umm.. about 50 dollars..?
Is that so
GULP

Cut it out!! I feel like I'm going to throw up~!

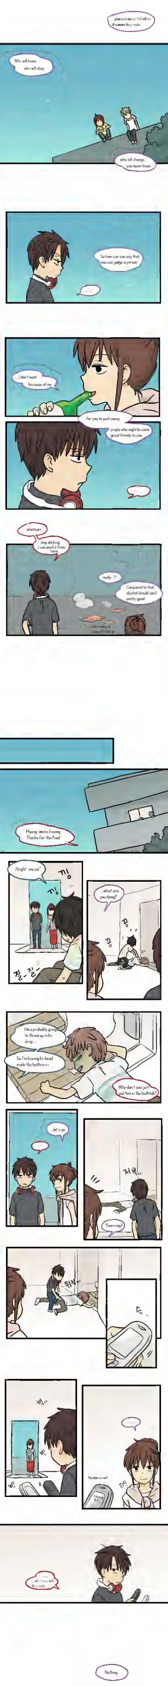
Guys from your department?
Anyone who don't know about gays?
...I don't know why you don't trust them so much.
Junghyun?
I never liked or trusted anyone.
except you and me.
you know this already.
Nope
!?
Don't you remember? Back in high school you didn't trust me either
I didn't trust you either.
We avoided each other...
...what are you trying to say...
...I know you're very sensitive toward that topic because of me.
Every time you hear a story of another gay person. you probably are reminded of me.
You probably feel angry and want to help them out
But still. don't forget
The people that makes you angry now. they are the same kind of person you were before
...!
I told you before? Every time I heard your footsteps down the hall. I was terrified
the fact that we can just drink and laugh together about what happened in the past... I would have never imagined it could happen one day
...I don't laugh.. only you three ever do
Why? You laugh too
..it's all in the past
Is it that hard to let bygones be bygones?
Only reason I can laugh like this now is because of you..!
Even Junghyun
At first, he felt that Hom was taking advantage of Sangjoong and wanted Hom to come out to him.
hey. go back to the house and then throw up~
You avoided me and threw my friends out of the house
But you stayed with me in the end
and Junghyun stayed in the end with Hom.



...you can never tell when it comes to people.
Who will leave
who will stay
who will change..
you never know
So how can you say that you can judge a person
I don't want because of me
for you to push away
people who might become great friends to you
whatever
stop drinking I can smell it from here
really ?
Compared to that, alcohol should smell pretty good

와난입니다
친구에게 편지를 보내고 싶다는
어떤 독자분의 부탁을 받아
이렇게 글을 전합니다 조금 깁니다

Below is a letter that the author received from one of her readers
The reader shares a personal story similar to the story plotline.

중학교 때 만나서 취미가 같아 친하게 지내던 친구가 있습니다
고등학교는 서로 달랐지만 같은 인터넷 동호회 모임도 하면서 같이 놀고
때로는 중학교 친구들과 모여서 종종 얼굴을 보는 사이었죠
생각이 깊고 마음에 맞아 정말로 좋아하는 친구였고 평생을 걸고 친구라 부를 수 있는 사람이 됐으면 좋겠다 생각했습니다

종종 동호회 사람들과 만나 얼굴을 보던 사이가 어느새 대학교 와서부터는 소원하게 됐습니다
그 동안은 단순히 학교가 너무 멀어 서로 시간이 안 맞는 거겠지 하고 생각했었습니다
못본지가 2 3 년 되갈 때부터 내가 마음에 안드는 걸까 아니면 정말 시간이 안되는 걸까 고민했었지만 여전히 만나긴 힘들었고
얼마전 방학때 근처에서 지낸다기에 만날 수 있냐 물으니 어렵다고 답하더군요

이렇게 계속 어긋나는게 정말 여유가 안되는건지 아니면 내가 마음에 안드는건지 답답해서 미니홈피 방명록에다 직접적으로 말했습니다
나는 너를 보고 싶은데 너는 그렇지 않은가보다 라는 식으로 얘기하자 친구는 미안하다는 답을 남겼죠
이유는 알 수 없었지만 저는 그를 믿었고 그가 나를 보고 싶어하지 않는다면 어쩔 수 없는 일이라 체념하며 그 이후로 연락을 하지 않았습니다

그런데 얼마전 그 친구는 빠진 채 함께 활동하던 동호회 사람들과 술자리가 있었고
그 자리에서 그 친구가 동성애자라는 이야길 들었습니다
그 자리에 있던 사람들은 당연히 모두가 알고 있다고 생각하는 사실이었고 저 혼자만이 몰랐었던거죠
다들 제가 그 친구랑 친하기 때문에 저도 당연히 알고 있다고 생각했는지 아무도 제 앞에서 얘기를 꺼내지 않았던 거고 그 친구를 만난 지 8년 동안 저는 그 사실을 몰랐던 겁니다

친구가 정체성을 자각한게 얼마나 된진 몰라도 저는 굉장히 실망했습니다
그 친구가 아니라 제자신에게 실망했습니다
나는 그렇게 믿음을 주지 못했던가 아니면 왜 난 그 친구에게 그 이야길 들을 수 없었을까

어쩌면 그 동안 나는 자신도 모르게 그 친구에게 상처를 줬을지도 모르고 부담스러운 사람이 되었을 지도 모른다 그런 생각을 하면 가슴이 답답해서 어찌해야할지 모르겠습니다

너무 가까워서 말을 못했던 걸까요? 아니면 그냥 말할만한 사이도 아니고 부담스러웠던 주변인에 불과했던 건가요
어찌됐든 그 친구는 지금 저를 만나고 싶어하지 않는데 저는 사실을 들었다고 억지로 그것 때문에 피했냐면서 접근해야하는 걸까요
아마도 친구는 그걸 바라지 않을거라 생각하고 이대로 우리 사이가 멀어진다면 영영 돌이킬 수 없게 될지도 모르죠

그래도 기다리고 싶습니다 그런 사실을 들어도 그는 제 기억속의 친구였고 저는 여전히 그가 제게 돌아와 친구라고 불러주길 기다리고 싶습니다
스스로의 의지로 다시 돌아와주었으면 고맙겠다고 생각합니다

May 6th. 10:00 PM.

To meet the report deadline, I drank something called BoongX drink.
It's been recommended by friends. It's probably safe.
It's great for pulling all-nighters!
4:00 AM
It's ineffective as far as I can tell
?

gahh... I'm so sleepy. The drink doesn't work.

Somehow finished the report. Looks like I can sleep for couple hours before class.
just kill me
6:30 PM
Soon as I got in bed I can feel the waves of exhaustion coming crashing down on me. I shouldn't have drunk that weird drink.
I'm going to yell at anyone who recommended me the drink tomorrow.

It's like something is grabbing on to my fleeting consciousness.
This is the worst...!
Is this what they meant by great for pulling all-nighters...!!
I don't need that kind of effect!!

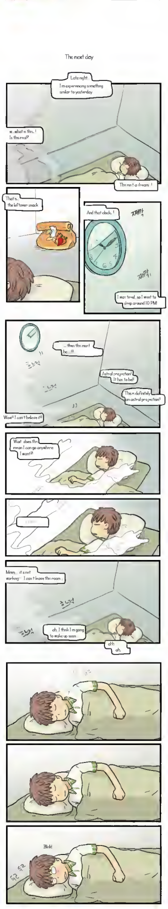
...??!
W...what in the world was that...?! C...could it have been... an astral projection...?
No way... it's probably just a dream. Things like that don't happen in real life.
8:30 AM
But it was so realistic...! It was definitely not a dream...
anyways~ yesterday in Hot Guys, the main character
what...? What possibly could it have been?
Hey...
Yeah?
Do you believe in astral projection?
...what?
Do you believe in souls?
What about the afterlife?
Did.. did you ever thought that maybe your body and soul exists separately?
...sorry! I'm an atheist~
N..no. I'm not talking about religion..
then what?
N... nevermind...
Forget it. No point talking about it... he'll probably just think I'm crazy
ok? So anyways yesterday the main character...
It was probably just a dream

The next day



Late night
I'm experiencing something similar to yesterday
w...what is this..! Is this real?
This isn't a dream..!
That is.. the leftover snack
And that clock..!

I was tired, so I went to sleep around 10 PM!

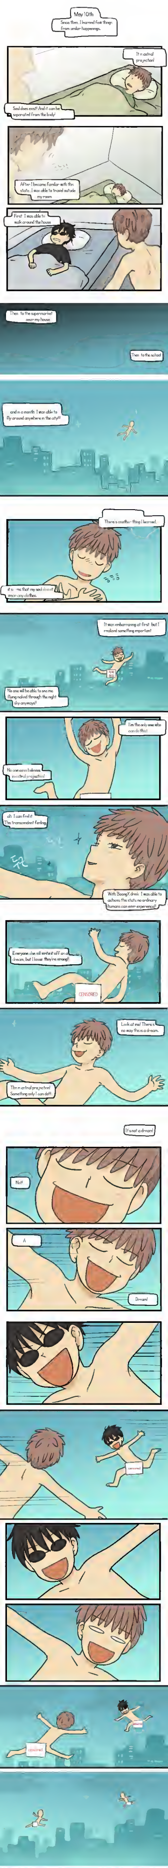
This is definitely an astral projection!!
Wow!! I can't believe it!!
Wait.. does this mean I can go anywhere I want?!
Mmm... it's not working... I can't leave this room..
흐느적
흐느적
ah.. I think I'm going to wake up soon...
ahh... ah..
Blink!
두근 두근



May 10th
Since then, I learned few things from similar happenings.
It is astral projection!
Soul does exist! And it can be separated from the body!
After I became familiar with this state, I was able to travel outside my room
First, I was able to walk around the house
Then, to the supermarket near my house
Then, to the school
and in a month, I was able to fly around anywhere in the city!!!
There's another thing I learned.
it seems that my soul do not wear any clothes.
It was embarrasing at first, but I realized something important
자체 심의
No one will be able to see me flying naked through the night sky anyways!!
I'm the only one who can do this!
No one even believes in astral projection!
ah, I can feel it
This transcendent feeling
With BoongX drink, I was able to achieve this state no ordinary humans can ever experience!!
Everyone else will write it off as a dream, but I know they're wrong!!
CENSORED
Look at me! There's no way this is a dream.
This is astral projection! Something only I can do!!!
It's not a dream!
Not!

It had to be. It was just a dream!!
헉.
It must be a dream... it absolutely have to be.
헉~
헉..
허억...
What was I thinking..!
Astral projection isn't real!
Everything that happened so far must have been a dream!
Astral projection is something I made up and wanted to believe in.
It was just a dream!
It had to be!
Especially the part when my naked soul was flying across the night sky!
Especially when I ran into HIM while naked!
I'm just imagining it! Of course I am!
It's just a dream!
The fact that my roommate... especially not talkative today...
or the fact that he's avoiding my gaze
I'm just imagining it.
Yeah...
It's just me...

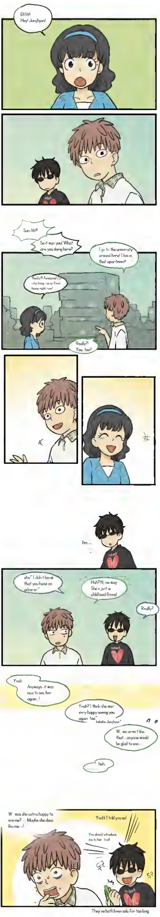
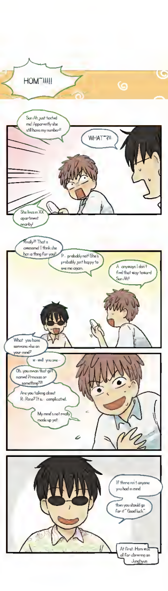
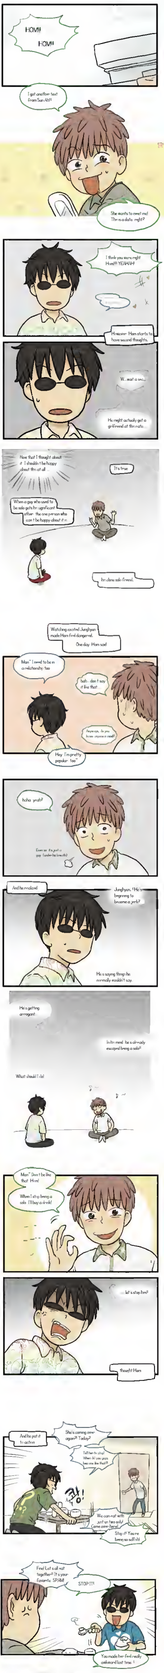
Ch 90. All Together!



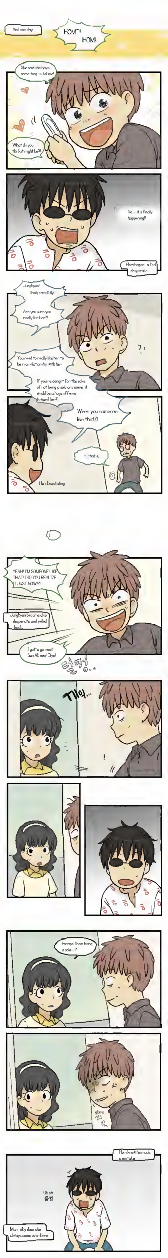
Eh!!!
Hey! Junghyun!
Sun Ah?!
So it was you! What are you doing here?
I go to the university around here! I live in that apartment!
Really?! Awesome! I'm also living away from home right now!
Really?! You too?
hm...
oho~ I didn't know that you have an admirer~
Huh? N.. no way She's just a childhood friend
Really?
Yeah
Anyways.. it was nice to see her again..!
Yeah? I think she was very happy seeing you again too~ hehehe Junghyun~
W.. we aren't like that... anyone would be glad to see...
huh.
W.. was she extra happy to see me?... Maybe she does like me...!
Yeah! I told you so!
You should introduce me to her.. too!
They've both been solo for too long



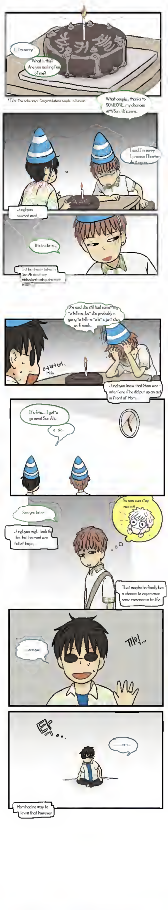
HOM~!!!!!
Sun Ah just texted me! Apparently she still have my number!!
WHAT~?!!
She lives in XX apartment nearby!
Really?! That's awesome! I think she has a thing for you!!
P... probably not! She's probably just happy to see me again.
A.. anyways I don't feel that way toward Sun Ah!!
What.. you have someone else on your mind?
w-well.. you see...
Oh.. you mean that girl named Princess or something??!
Are you talking about R.. Rose? It's... complicated.
My mind's not really made up yet
If there isn't anyone you had in mind
then you should go for it~ Good luck~
At first, Hom was all for cheering on Junghyun



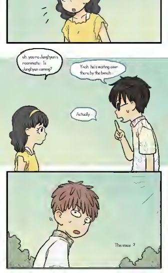
HOM!!
HOM!!
I got another text from Sun Ah!!
She wants to meet me! This is a date right?
I think you were right Ham!!! YEAHAH!
However Ham starts to have second thoughts.
W...wait a sec..
He might actually get a girlfriend at this rate...
Now that I thought about it I shouldn't be happy about this at all ...
It's true
When a guy who used to be solo gets his significant other the one person who can't be happy about it is
his alone solo friend.
Watching excited Junghyun made Ham feel dangered.
One day Ham said
Man~ I need to be in a relationship too
bah.. don't say it like that...
Anyways, do you have anyone in mind?
Hey I'm pretty popular too~
haha yeah?
Even so it's just a guy (under his breath)
And he realized
Junghyun. (He's beginning to become a jerk?
He's saying things he normally wouldn't say.
He's getting arrogant
In his mind he's already escaped being a solo!!
What should I do!
Man~ Don't be like that Ham!
When I stop being a solo I'll buy a drink!
...let's stop him!!
thought Ham
And he put it to action
She's coming over again?! Today?
Tell her to stop! When did you guys become like that?!
쾅!
We can eat with just us two only! Come over here!
Stop it! You're being so selfish!
Fine! Let's all eat together!! It's your favorite SPAM!
STOP IT!
You made her feel really awkward last time!



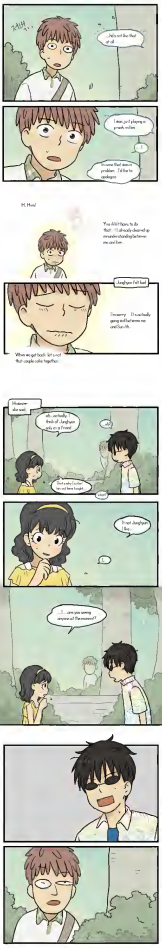
And one day
HOM~! HOM!
She said she have something to tell me!
What do you think it might be?!
No... it's finally happening!!
Hom began to feel desperate
Junghyun! Think carefully!!
Are you sure you really like her?!
You need to really like her to be in a relationship with her!
If you're doing it for the sake of not being a solo any more, it would be a huge offense toward her?!
Were you someone like that?!
t.. that's..
He's hesitating
t
YEAH! I'M SOMEONE LIKE THAT! DID YOU REALIZE IT JUST NOW!?!
Junghyun became also desperate and yelled back.
I gotta go meet Sun Ah now! Bye!
덜컹..
끼익...
!
Escape from being a solo...?
glare
찌릿
Hom knew he made a mistake
Uh oh
움찔
Man, why does she always come over here



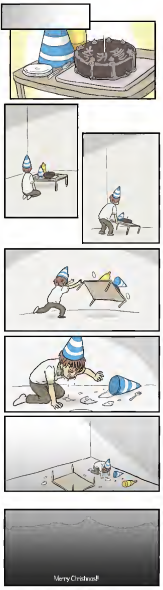
I..I'm sorry~
What is this? Are you making fun of me?
축커플
*T/n: The cake says Congratulations couple in Korean
What couple... thanks to SOMEONE, my chances with Sun Ah's zero.
I said I'm sorry I promise I'll never do it again..
Junghyun seemed mad..
It's too late...
But he already talked to Sun Ah about any misunderstandings she might have.
She said she still had something to tell me, but she probably is going to tell me to let's just stay as friends.
어버버..
Holy
Junghyun knew that Hom won't interfere if he did put up an act in front of Hom...
It's five... I gotta go meet Sun Ah...
o.. ok..
See you later
No one can stop me now!
Junghyun might look like this, but his mind was full of hope...
That maybe he finally has a chance to experience some romance in his life
...see ya
끼익...
탁...
......mm...
Hom had no way to know that however



Hey you!
uh, you're Junghyun's roommate.. Is Junghyun coming?
Yeah, he's waiting over there by the bench..
Actually...
This voice..?



저벅..
...he's not like that at all
I was just playing a prank on him
...!
In case that was a problem I'd like to apologize
H, Hm!
You didn't have to do that... I already cleared up misunderstanding between me and her...
Junghyun felt bad
I'm sorry... It's actually going well between me and Sun Ah...
When we get back let's eat that couple cake together...
However she said
ah... actually, I think of Junghyun only as a friend
...eh?
That's why I called him out here tonight...
what?
It not Junghyun I like...
I...
...I... are you seeing anyone at the moment?



Merry Christmas!!
